### Experience

#### **Introvert Empowerment (October 18, 2022 - CURRENT)**

Introvert Empowerment is my demo project, its a full-stack application to help Introverts become more open. It allows users to retrieve challenges from our database and has you input those challenges in a task management. After you will provide your phone number with us and we will send you text-reminders to complete your tasks.DATES FROM - TO

#### **React Gaming (September-October 2022)**

React Gaming is a e-commerce store where a lot the classic games you played growing up are being sold. This application was built with React JS, Redux and Redux-ToolKit

#### **Sticker United (August 6th - August 18th, 2022)**

Sticker United is a full-stack application built with JavaScript, NodeJS Express, PostgreSQL, Sequelize, HTML, CSS and Bootstrap. You signup or login if you already have an account and you view stickers by categories. You are allowed to favorite the stickers. The stickers come from our database.

#### **HCA Health Trust (January 2022 - CURRENT)**

Part time Material Handler at HCA Health trust. I help load/unload pallets from trucks.

## **Education**

### **DigitalCrafts Coding Bootcamp (April - November 2022)**

DigitalCrafts is a technology coding bootcamp, they're among the best-reviewed in the country, and offer intensive live instruction educational experiences for full-time and part-time students across the country. At DigitalCrafts, they teach the most cutting edge tools and strategies for the job market today. More importantly, they teach how to stay cutting edge for the job market tomorrow.

## **Languages**

- Spanish
- English
