

OMAR ROSQUERO

Full Stack Web Developer

Tampa, FL || (727) 333-1431

[Email](#) || [LinkedIn](#) || [Github](#) || [Portfolio](#)

Hello! I'm Omar. I'm a Full-Stack Web Developer. I enjoy developing websites and seeing them come to life. Feel free to go to my GitHub to see some projects. More will be added soon.

SOFTWARE DEVELOPMENT SKILLS

React, JavaScript, Node.js, Express, PostgreSQL, Sequelize, Bootstrap, Mobile Responsive, HTML, CSS, Postman, AJAX, RESTful API, Git, GitHub, npm, Redux, MongoDB

SOFTWARE DEVELOPMENT PORTFOLIO

INTROVERT EMPOWERMENT || [GitHub](#) || [Video walkthrough](#)

October 2022 – Present

- Member of a 2 person development team building a full stack application targeting introverted people where we help introverts overcome their social disadvantages and help boost their confidence. Users are able to use our services provided to them.
- Responsibilities included working on the front end. Specifically, assembling the layout for the back and front end to communicate and designing the application
- Built with PostgreSQL, Node.js, Express.js, React, CSS, Bootstrap, Sequelize

REACT GAMING || [GitHub](#) || [React Gaming](#)

September – October 2022

- This e-commerce where many classic games that were played are being sold. Users are able to view, add to cart, search and filter products.
- Learned Redux/toolkit through multiple online resources that have helped over thousands of developers understand the concept of the react framework.
- Built with React, Redux, CSS, Bootstrap

STICKER UNITED || [GitHub](#) || [Video walkthrough](#)

August – September 2022

- Member of a 3 person development team building a full stack sticker application where users are able to click on a sticker category and it will navigate them to the sticker pages. From there, you are able to like the stickers
- Responsibilities included designing a fully responsive app and assembling the sticker details in our database
- Built with PostgreSQL, Node.js, Express, HTML, CSS, Bootstrap, Sequelize

PROFESSIONAL WORK EXPERIENCE

HCA HEALTHTRUST

MATERIAL HANDLER

January 2022 – Present

- Working in a fast paced environment and communicate with colleagues from diverse backgrounds to hand pick all orders by the end of day
- Operate Pallet Jacks, forklift to move supply in truck for shipping

ELECTRICAL APPRENTICE

April 2021 – November 2021

- Rode with licensed electrician in van to customers home and fix their issue
- Communicated with customers effectively and frequently to get the job done properly
- Helped electricians with needs. For example, troubleshooting homes, adding and removing outlets, switches and fans
- Worked with hand tools, power tools and live wire
